Mr. Brian Andriesen
Sysco Foods

Dear Brian,

We appreciate so very much your generous support of our recent Fire Department Open House event. We raised \$1,342.00 in donations for the hamburgers and hot dogs. Our Fire Department partners with Chelan Valley Hope and the Manger Mall (Northshore Bible Church) to help meet the needs of less than fortunate families here in our community. This annual Open House is one of our major fund raisers for this. Every cent of the profit goes to these families, and your kind contribution of 300 hamburgers, 300 hot dogs, the matching buns and the condiments went a long way in helping to support this cause.

We sincerely thank you,

John Spencer, Chairman

Dan Baker, Vice-Chair

Brian Harris, Commissioner

Chris Willoughby, Association President

Arnold Baker, Chief
